

BOLTE

Tailoring Questionnaire — per-document

BOLTE Tailoring Questionnaire

BOLTE — Tailoring Questionnaire (per document)

Purpose: answer only what you know; leave the rest as [TBD] . Each answer lets me replace a placeholder with final text. Return answers as a numbered list referencing question codes (e.g. C1: ... , G4: ...).

How to use: reply in chat, or copy this file, fill answers after each question, and send it back.

A. General (applies to all documents)

- A1. Preferred full legal names + preferred short names for both co-founders (for signature blocks)?
- A2. Official BOLTE contact to publish (email / phone / city)? If none yet, confirm “keep private” and state who holds the inbox.
- A3. Effective date for all documents (e.g. 06 Sept 2026)?
- A4. Governing city/state for disputes (default: Lagos, Nigeria — confirm or change)?
- A5. Currency for all money examples (default: ₦ NGN — confirm)?
- A6. Language standard: Nigerian English, IEEE citations — confirm?

B. 01-Canon (00-index, identity, goals, objectives, philosophy)

- B1. Any wording in Vision / Mission / Aim you want frozen word-for-word vs open to polish?
- B2. Canon amendment rule: both founders must approve — keep unanimous, or allow 2/3 with 7 members?
- B3. Defense ethics guardrails: approve the “human-in-the-loop, lawful users only, both-founders approval for security partnerships” clause, or amend?
- B4. Non-goals to state explicitly (anything BOLTE will NOT do)?

C. 02-Brand-IP (brand-guide, trademark strategy)

- C1. Interim blue: keep #2E86DE or give exact hex from your slides?
- C2. Brand font preference (or “system default until logo lands”)?
- C3. Logo handover format expected (SVG + PNG + monochrome)? Who delivers, by when?
- C4. Company/trading name variants to reserve at CAC (e.g. BOLTE, BOLTE Technologies, BOLTE Labs)?
- C5. Trademark classes to file: keep 9 + 42, add 35/41 for merch/training?
- C6. Software licensing default: keep Apache-2.0 + proprietary for sensitive defence modules?

D. 03-Roadmap (roadmap.md)

- D1. Field-trial site access: any aerodrome / school / partner lined up, or [TBD] ?
- D2. Real RTL-SDR hardware: owned, budgeted, or to-buy (how many units, budget)?
- D3. Travel capacity for Lagos finals 27–28 Nov 2026 (how many can attend, funding source)?
- D4. Lab/workshop: current space, or needed (location, size, power/internet reality)?
- D5. CAC incorporation target date (e.g. Q1/Q2 2027)?

E. 04-Products (overview, aeropulse-ng, pipeline)

- E1. AeroPulse-NG public description: approve the “air-gapped SDR+PC workstation” wording, or redact anything (frequencies, solver details)?
- E2. Demo secrets: which screenshots/scenarios may appear in public deck/video vs internal only?
- E3. Price/cost figures we may publish (SDR ~\$150 + PC — confirm; support/kit pricing?)?
- E4. Second product priority after NDAIE: secure comms / robotics scout / weather stations / other?
- E5. Product status label: keep “Prototype v2.4.0, TRL 4–5”?

F. 05-People (org-structure, roles, code of conduct)

- F1. Full names + contacts for the 5 members (or confirm “withhold until onboarded”)?

- F2. Assign seats: who is Treasurer (B1), who is Product/Ops Manager (B2), and C/D/E focus areas (RF / software / hardware / research / design)?
- F3. Weekly commitment rule: keep [TBD] or set (e.g. 8 hrs/week + weekly review, student-friendly)?
- F4. Spending approval threshold requiring both founders (e.g. \$50,000)?
- F5. Inactivity rule: keep 4-week review / 8-week offboarding, or change?
- F6. Code of Conduct penalties: approve warning → suspension → removal, or amend?

G. 06-Legal (MOU, NDA, IP assignment)

- G1. MOU term start date + initial duration (e.g. 12 months, auto-renew to incorporation)?
- G2. ID details for signature blocks (address / phone / ID type per person)?
- G3. NDA duration: keep 3 yrs (trade secrets 5 yrs), or change?
- G4. Prior IP per person for Schedule A (list or “none”)?
- G5. Witness requirement: one witness per signature, or two?
- G6. Lawyer review: do you have counsel for final sign-off (name), or need a referral note?

H. 07-Equity (equity-model, cap-table)

Locked default: 50% Treasury / 10% + 10% Founders / 7.5% + 7.5% + 5% + 5% + 5%.

- H1. Confirm founders equal 10/10 (or state exact split of the 20% founders pool)?
- H2. Confirm Treasurer 7.5 / Prod-Ops 7.5 / others 5 each (or give exact numbers)?
- H3. Distribution trigger: on what event (prize receipt, monthly surplus, quarterly)?
Minimum payout threshold?
- H4. Joiner/leaver pro-rata: by weeks active — confirm method?
- H5. Prize-money exception: same split, or different split for NDAIE winnings?
- H6. Treasury spend authority: Treasurer + one founder dual-sign — confirm?

I. 08-Focus-NDAIE-2026 (playbook, tracker, summary, deck, video/Q&A)

- I1. Competition sub-team: names, DOBs, emails, schools + matric IDs for slots 1–5 (the single biggest blocker)?
- I2. Team Lead designation (official contact)?

- I3. School affiliation(s) to list on entry (one or multiple)?
- I4. Executive summary: approve ~195-word draft as-is, or provide edits (“Sovereignty” emphasis up/down)?
- I5. Deck: confirm 10-slide outline; who owns which slide; photo/diagram assets available?
- I6. Video presenter(s) + recording setup (screen recorder, mic, location with power)?
- I7. Conflicts to declare (any link to judges/organisers) + AI-use log wording approval?
- I8. Test-site / mentor / component needs for the “Ask” slide?

J. 09-Strategy (business plan, canvas/SWOT/risks)

- J1. First customer targets: specific aerodromes / units / schools to name (or keep generic)?
- J2. Cost figures to publish (hardware, travel, lab setup budgets)?
- J3. Revenue model priority: kits vs integration/support vs training vs licensing?
- J4. Funding ask: amount + form (grant, sponsorship, pro-bono legal, test-site access)?
- J5. Competitor / alternative list to acknowledge (e.g. aggregators, import vendors)?

K. Website (website/README + index.html)

- K1. Stack approval: Docusaurus (recommended) / Astro / Vite+React / “decide later”?
 - K2. Domain + email (or “TBD — keep placeholders”)?
 - K3. Team page: publish names/photos/roles, initials only, or hide until after competition?
 - K4. Contact method: form endpoint, email link, or WhatsApp/phone?
 - K5. Analytics/SEO: acceptable (privacy-friendly) or none?
-
