Org Structure (2 founders + 5 members)

Pre-CAC, contractual. Decision tie-break: co-founders jointly; deadlock → mediation per MOU.

Seat	Holder	Mandate
Co-founder / Technical Lead	Abdullahi Garba	Engineering direction, R&D programs, product architecture
Co-founder / Operations Lead	Essien Frances	Operations, partnerships, ecosystem, compliance
Member B1 — Treasurer	[TBD]	Funds ledger, treasury custody, reporting, cap-table upkeep
Member B2 — Product/Operations Manager	[TBD]	Roadmap execution, competition delivery, QA
Member C	[TBD]	[e.g. RF/Avionics or Software — assign]
Member D	[TBD]	[e.g. Hardware/Embedded — assign]
Member E	[TBD]	[e.g. Research/Design/Comms — assign]

NDAIE sub-team (2–5) drawn from above; must meet student criteria. Non-presenting members support behind the scenes.

Cadence: weekly build review + monthly strategy review. All decisions affecting IP, partnerships, spending > [TBD: ₦ threshold], or public representation need both co-founders' sign-off.
